In one of the prettiest games of the season the Kirkwoods beat the North Ends on the cow pasture at Silver lake battle of the pitchers, in which Douglas had a shade the better of Stone. Three singles widely scattered were all the North End batters got off Douglas, while Stone held the Kirkwood hitters to six.

Fitzgerald caught a master game. In the third he caught a foul from Schlatter's but near the grandstand after a hard run. Mahone robbed Motz of a seeming single in the eighth. The ball was a low fly to short left center which Mahone was just able to reach after a desperate run. He was falling when he made the catch, but after a loop-the-loop, and while still lying on his back, he shot up his hand and there was the sphere. It was the most sensational catch made at the cow pasture this year. SCHOOL CHILDREN'S BREAKFAST.

SCHOOL CHILDREN'S BREAKFAST.

Children in school require substantial food. Then is the time their bodies and minds are building. Since nothing can be stronger than the elements that make it, a child cannot gain strength of body and mind beyond that contained in the food eaten.

Again, growing children have hearty appetites and the period from breakfast to noon is a long one. It should be bridged by a strength-giving food. Heavy bread, hot rolls, soggy pancakes depress the stomach and destroy vitality. They are hard to digest. An overworked stomach dulis the mind, deadens the memory and breeds laziness. It falls to properly assimilate the food for the nourishment of the body and mind.

Shredded Wheat stimulates mental activity. It is made of the whole wheat—nature's most perfect food. Containing all the health-giving and tissue-building elements in the correct proportion required by human beings, it makes strong children. Being easy of assimilation it saves the stomach from overwork and transfers the energy saved to the mind of the child, thus making learning of less effort. Shredded Wheat bridges the time from breakfast to dinner and leaves the stomach without craving and the mind quick and alive for the absorption of knowledge. "The Vital Question," a sensible booklet published by the Natural Food Company of Niagara Falls, N. Y., gives more light on the subject. Send for it free.

BEAT THE WERNERS. The West Ends beat the Werners, Saturday, at Summit lake park, in a runaway game that resulted in a score of 13 to 7. A most vociferous audience attended.

Saturday afternoon. The game was a BEATEN BY THE EVERHARDS. The Everhards of Cleveland play most excellent ball, and they defeated the East Akron team, Saturday, by a score of 8-2, on the East Exchange st. grounds, before a crowd of rooters which was enthusiastic for East Akron only. The Cleveland team clearly outplayed the Akron assortment, although the East Akrons played good ball.

OLD LEAGUERS WON. Barberton's Old Leaguers were more than a name, and they demonstrated Saturday, that they could play base ball in a surprising manner, for they defeated the regular Barberton team at the Stirling grounds, by a score of 9-0.
